25X1A

3. Listing of Collections. Most of the meeting was devoted to a detailed review of the new draft on Dispersal of Collections of Finished Intelligence.

4. Relocation Sites and Procedures. It was agreed that the chairman should review the drafts that have already been submitted, and draw them together into a single draft for further discussion. Because of the difficulty of foreseeing the availability of sites, personnel, and equipment, as well as the difficulty of predicting the nature of need during an emergency, it was felt that the statement should be general and brief.

5. State ER Handbook. Mr. Gonzales made copies of the Department of State Emergency Relocation Handbook, July 20, 1961, available to each member present.
